Scouting Report (Melaney Torres, former Big 12 All Conference, catcher, current head coach DISD)

“Adrienne has a pitcher’s body, tall, long arms with big arm rotation that generates good velocity. She spots her fastball well, change-up has dropping movement at the end and she has an excellent rise ball which is her out pitch ahead in the count. Adrienne is an above average corner infielder, she has an exceptionally quick release and a strong arm. She hits from the right side, is a pull hitter, puts the ball in play and rarely strikes out. Adrienne needs to work on her defensive footwork as an infielder, and taking the pitches she’s given and using the whole field as a hitter”
