Scouting Report (Melaney Torres, former Big 12 All Conference,
catcher, current head coach DISD)

“Annie is a strong corner infielder, especially capable at the hot corner. She plays the bunt well, moves quickly and aggressively to the plate and has a strong arm. Annie hits from the right side and has power potential to all fields. Annie is a team leader with quiet intensity who leads by her actions. Annie needs to work on her foot speed on the base paths, and being a more aggressive base runner by taking advantage of the opportunities to take the extra base.”
