**Scouting Report** (Melaney Torres, former Big 12 All Conference, catcher, current head coach DISD)

"Ashley does very many things very well. Defensively she is an above average middle infielder with excellent hands and strong arm. She is a very good outfielder, covers a lot of grass in center and has great instincts to the ball. Offensively she hits from the right side, is a contact hitter and rarely strikes out. She is also an excellent bunter and an aggressive base runner."
