Scouting Report (Melaney Torres, former Big 12 All Conference, catcher, current head coach DISD)

“Hannah is exceptionally fast home to first. She is a smart, aggressive, base runner. Offensively, Hannah has a sophisticated left side short game, including an exceptional drag bunt, hard slap, soft slap, slash, straight bunt, and push bunt. She has excellent ball placement skills, especially to the left side of the infield. Defensively Hannah covers a lot grass in the outfield, and is able to run down fly balls well laterally on the move. She has an accurate arm with serviceable strength. Offensively Hannah needs to work on ball placement to the right side of the infield. Defensively Hannah must focus on reading fly balls off the bat, and executing the appropriate first step, and making the appropriate deep/shallow adjustments ”
