Scouting Report (Melaney Torres, former Big 12 All Conference, catcher, current head coach DISD)

"Katelyn is an experienced outfielder with elite potential at all 3 OF positions. She covers a lot of grass and has excellent speed. Her glove is reliable and she has a quick first step to the ball, she reads the ball off the bat very well. She's very advanced with OF mechanics as she chose the grass early on, and her experience shows. Her arm strength is serviceable and she has elite foot speed. Offensively she can switch hit and is a reliable left side drag bunter. Her speed is an advantage on the base paths. Katelyn needs to work on her arm strength/throwing mechanic and expanding her offensive skills from the left side of the plate."
