Scouting Report

Sarah is an intelligent and athletic player. She is a right handed contact hitter with a high on base percentage. She is a smart and aggressive base runner who uses her speed and strong sliding skills to steal bases effectively. As a bracket catcher, she has quick footwork behind the plate and an accurate arm. She is currently also seeing a batting coach as well as a catching to coach to build on her hitting and catching skills. Sarah is a positive team member who easily gets along with her teammates.
