Scouting Report (MelaneyTorres, former Big 12 All Conference, catcher, current head coach DISD)

"Taylor is a quick, aggressive infielder, fast hands, and strong arm. She has good footwork and range at short stop and covers ground well both laterally and in shallow grass. Additionally, she is a true utility and plays all outfield positions well. Taylor is an intense player who will run through a wall and leads by her actions. Offensively she is a left side slapper, good ball control to the right side of IF and good drag bunter. Needs to work on ball placement to left side, and expanding her repertoire of small ball tools "
